- **Discounted / Non-Profit
Technology Sources**

How To Find?

■ Discounted / Non-Profit Technology Sources

- Shop around and ask questions (Compare Prices!)
- Do searches on the internet
- Ask other Christian sources for guidance
(Webmasters, Administrators, SBCV)
- Write letters to vendors requesting non-profit discounts

Discounted / Non-Profit Technology Sources

- Not all discounts are the best bargain!
- Don't try to re-invent the wheel! Ask around...
- Seek wise counsel (who has done this already?)
- Take your time and plan.
 - Will this equipment meet my needs in three years?
 - Will spending a little extra now, save me big in the not too distant future?
